Processing Information: The Wade Hampton Frost Correspondence, Dean's Office, Johns Hopkins University School of Hygiene and Public Health was initially processed with the rest of the records of the Johns Hopkins University School of Hygiene and Public Health under a grant from the National Historical Publications and Records Commission (NHPRC grant 1979-119). Ruth Anne Becker, Harold Kanarek, and Gerard Shorb processed the records and created a finding aid in 1979-1980. Chesney Medical Archives student assistant Faith Ow'honda inventoried the sub-series under the direction of Phoebe Evans Letocha in 2016 and indexed correspondent names within the sub-series.
